SUBJECT: Additional Agreement to the Amendment UTU 69850

Dear Mr. Simmons:

Per our agreement on September 28, 1992 at the San Rafael Quarry, the drywash will be diverted into the old quarried area and we will stop approximately 100 feet from the old trail on the east of the county road and amend our quarry operation accordingly.

Thank you for your continued cooperation and assistance in this regard.

Very truly yours,
